SECTION B - PROPOSAL FORM

DATE _____
INSERT NAME AND ADDRESS _____

RE: Project No.: B-21-026-4050
NAME: Blythe Elementary School HVAC Replacement
ADDRESS: 290 Church Street, Blythe, GA 30805

Ladies and Gentlemen:

B-01 Having carefully examined the specifications entitled, "Project No. B-21-026-4050, Blythe Elementary School HVAC Replacement, Richmond County", and the drawings similarly entitled, numbered, all dated _____ and addendum (a) Nos. _____, as well as the premises and conditions affecting the work, the undersigned proposes to furnish all services, labor and materials called for by them for the entire work, in accordance with said documents for the sum of:

_____ DOLLARS (\$ _____)

which sum is hereafter called the "BASE BID"

B-02. The undersigned further proposes that should any of the following alternates or unit prices be accepted and is incorporated in the contract, the Base Bid may be altered if elected by the Owner as follows:

a) **ADD ALTERNATES:**

1) **ADD ALTERNATE #1:**

a. Instead of providing control systems by one of the three providers listed in the base bid documents, provide control systems solely by the Owner-preferred provider Automated Logic of Kennesaw, Georgia.

ADD SUM OF _____ Dollars (\$ _____)

B-03 a) If rock, boulders, weathered shale or other unsuitable materials as defined in the General Conditions is encountered by the contractor during the general overall grading operation, the Owner will pay the contractor \$ _____ per cubic yard for the removal and disposal of said materials off site.

b) If rock, boulders, weathered shale or other unsuitable materials as defined in the General Conditions is encountered by the contractor during the trench excavation, the Owner will pay the contractor \$ _____ per cubic yard for the removal and disposal of said materials off site.

c) The quantity of rock, boulders, weathered shale or other unsuitable materials as defined in the General Conditions will be as computed by the architect on the basis of measurements taken by the architect—excavation of said unsuitable materials is to be carried out only when authorized by the architect.

d) Rock payment lines are limited to the following:

1. Two feet outside concrete work for which forms are required, except footings.
2. One foot outside perimeter of footings

3. In pipe trenches, 6 inches below invert elevation of pipe and 2 feet wider than inside diameter of pipe, but not less than 3 feet minimum trench width.
4. Outside dimensions of concrete work where no forms are required.
5. Under slabs on grade, 6 inches below bottom of concrete slab.

B-04 For and in consideration of the sum of \$1.00, the receipt of which is hereby acknowledged, the undersigned agrees that this proposal may not be revoked or withdrawn after the time set for the opening of bids but shall remain open for acceptance for a period of thirty-five (35) days following such time

B-05 In case he be notified in writing by mail, email, or delivery of the acceptance of this proposal within thirty-five (35) days after the time set for the opening of bids, the undersigned agrees to execute within ten (10) days a contract (Form of Agreement Between Contractor and Owner, Form No. 418) for the work for the above stated compensation and at the same time to furnish and deliver to the Owner a performance bond and a payment bond in accordance with the forms shown in Article E-30 of the General Conditions of the Contract, both in an amount equal to 100% of the contract sum. Contractor shall also provide the required certificates of insurance (in accordance with Article E-27 of the General Conditions). Contractor will also provide a list of subcontractors, noting their business trade, estimated value of their work and business classification (MBE/WBE) for the Local Participation Report to the Board.

B-06 The undersigned agrees to commence actual physical work on the site with an equal force and equipment within ten (10) days after the notice-to proceed by the owner and to complete in 360 consecutive calendar days from and including said date.

B-07 Enclosed herewith is a bid bond in the amount of _____ Dollars (\$ _____) being not less than 5% of the Base Bid.

The undersigned agrees that the above stated amount is the proper measure of liquidated damages which the Owner will sustain by the failure of the undersigned to execute the contract and to furnish the performance bond and the payment bond in case this proposal is accepted and further agrees to the following:

B-08 If this proposal is accepted within thirty-five (35) days after the date set for the opening of bids and undersigned fails to execute the contract within ten (10) days after written notification of such acceptance or if he fails to furnish both a performance bond and a payment bond, the obligation of the bid bond will remain in full force and effect and the money payable thereon shall be paid into the funds of the Owner as liquidated damages for such failure; otherwise the obligation of the bond will be null and void.

B-09 The following subcontractors are listed for review by the Owner and Architect.

1. Plumbing _____
2. Mechanical _____
3. Electrical _____
4. Roofing _____
5. Sitework _____
